

# SCAB

SP-Office

**La famiglia Scab allarga i suoi orizzonti con linee sempre più caratterizzanti. La nuova finitura Ferro, ottenuta con un processo di laccatura opaca sul semilavorato appena pulito, rende unici tutti i pezzi che ne seguiranno. Nessuna scrivania sarà riproducibile, rendendo il Vostro stile inimitabile. Linee semplici e regolari, accompagnano una gamma sempre più completa, in cui spicca un semi-direzionale su mobile di servizio tutto da scoprire. Bench, tavoli riunioni e tavoli da caffè sono a completamento di un pacchetto unico nel suo genere per rapporto qualità-prezzo. La serie SCAB potrà senza dubbio soddisfare ogni esigenza, anche grazie alla Certificazione UNI EN 527-3:2003 di cui dispone.**

La famille Scab élargit ses horizons avec des lignes de plus en plus caractéristiques. La nouvelle finition Iron, obtenue grâce à une peinture opaque sur le produit semi-fini, rend toutes les pièces uniques. Aucun bureau ne sera reproducible, rendant votre style inimitable. Des lignes simples et régulières accompagnent une gamme de plus en plus complète, dans laquelle le nouveau meuble de service semi-directionnel est absolument à découvrir. Bench, tables de réunion et tables basses sont l'aboutissement d'un package au rapport qualité-prix unique. La série SCAB satisfera sans aucun doute tous les besoins, également grâce à la certification UNI EN 527-3: 2003.

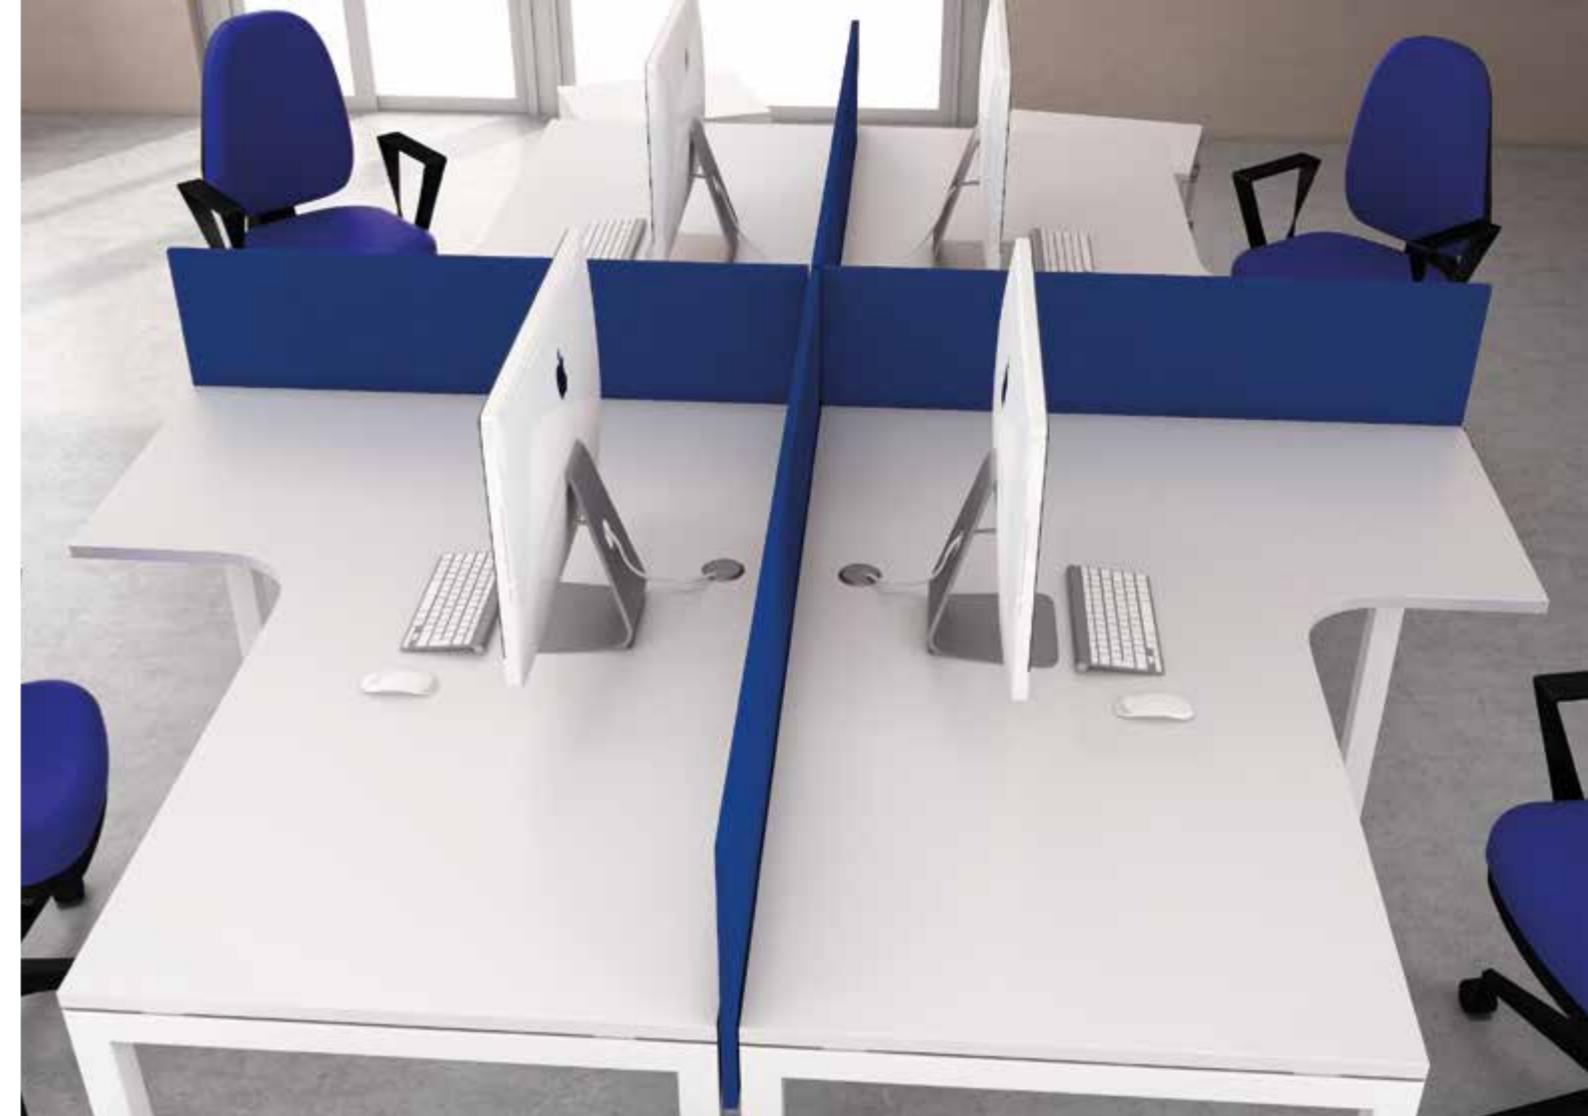

*Scab family widens its horizons with increasingly characterizing lines. The new Iron finish, obtained with an opaque lacquering process on the newly cleaned semi-finished product, makes all the pieces that will follow unique. No desk will be reproducible, making your style inimitable. Simple and regular lines, accompany an increasingly a complete range, in which stands a semi-directional on service furniture to be discovered. Bench, meeting tables and coffee tables are the completion of a unique package for quality-price. The SCAB series will undoubtedly satisfy every need, also thanks to the UNI EN 527-3: 2003 Certification available.*
