IMPORT

Il catalogo Import è composto da collezioni fabbricate in Estremo Oriente, studiate e realizzate grazie a partnerships internazionali costruite negli anni con importanti aziende locali. I prodotti presentati sono fabbricati con i migliori componenti e con nostra partecipazione diretta. Nella costante ricerca della qualità e della soddisfazione abbiamo realizzato sistemi di controllo che permettono di garantire ogni seduta come se fosse costruita in Italia.

Tutti i prodotti Import sono con imballo industriale. Possono essere spediti entro 5 giorni dalla conferma dell'ordine.

The Import catalogue presents collections manufactured in Far East, designed and built through international partnerships built over the years with major local companies. The products presented are manufactured with the best components and with our direct participation. In the constant pursuit of quality and satisfaction we realized control systems to ensure that each collections quality could be guaranteed as the Italian products are.

All the Import products are with industrial packaging. They can be shipped within 5 days after order confirmation.
